27<sup>th</sup> May 2020

Dear Parent/Carer

As you know we have since 23<sup>rd</sup> March been open only to vulnerable pupils and the children of key workers. We will be gradually extending our provision from Monday, 8<sup>th</sup> June.

On 8<sup>th</sup> June, we will be accepting into school Year 6 pupils alongside the group we already have. As time goes on, we will be trying to take into school other groups of children. We will be limited by the staff and space we have available, depending on the numbers wishing to return. When your child is eligible to return, we will contact you with specific joining instructions and information about how we will be operating.

We are missing your children and very much want them back in school, but we need to be sure we can operate safely. There will be a risk of infection in school and we will do our best to limit the risk, but children are safer in self-isolation at home. We cannot guarantee they will always keep 2 metres away from everyone else.

We hope you are all well and taking care to stay that way.

Yours sincerely

*C Ingle*
