

12th February 2021

Dear Parents

I hope you continue to be well and have not had too much difficulty navigating the recent snow falls!

Half Term Holidays

School will close for half term this afternoon and will re-open on Monday 22nd February. We will not be providing any remote learning – I'm sure you agree that it's time for everyone to have a rest! We will continue to provide free school meal vouchers for families for that week.

Teams Live Meets

Despite a few technical difficulties our 'Live Meets' in Y4, 5 and 6 went well. We will build on this after half term and extend it to other year groups. Hopefully, this will go a small way in helping children to feel more connected to school and their friends.

Symptoms of Covid 19

The symptoms of Covid 19 are currently identified as:

- High temperature (37.8°C or above)
- new continuous cough(coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (or worse cough than usual where the person usually has a cough)
- loss of, or change in taste or smell

If your child has been attending school this week and then develops symptoms on Saturday, Sunday or Monday, please contact us and let us know. I will be available up until Tuesday - between 12 and 2pm - on [this number](#)

I would like to take this opportunity to thank all our families for the wonderful welcome you have given me – despite such difficult circumstances! I have been incredibly grateful for your patience and understanding during this last half term. My wish is that we can get all our children back into school in the coming weeks and move forward together as a school community, building on the fantastic education and opportunities that we can offer.

Have a good break.

Best Wishes

Mrs C Maxwell
Head Teacher
