### **VOLUNTEERS TO CUT THE GRASS AROUND ST PETER'S CHURCH CAR PARK (Fr Keith)**

I would like to thank Pat Connelly for the time he has given to cutting the grass by the church car park. He has done a wonderful job. Sadly, Pat has had to retire from grass cutting. If anybody would like to volunteer to cut the grass, could you please let Fthr Keith know. Due to the size of the area, we do have a sit-on lawnmower but if people want to use the push lawnmower that we have, then you are welcome to do so. Thank you.
