Dear Parents

It is lovely to see the lighter evenings and mornings creeping in! Spring is on the way...

Covid 19 Update

We continue to experience staff absence but are confident this will begin to improve next week. Thankfully, this week we have seen a significant reduction in the number of children testing positive for Covid 19. However, we ask that you remain alert to symptoms.

The isolation period is still 10 days, but can be reduced as long as your child is well enough and without a temperature, and receives 2 consecutive negative LFD results which were taken 24 hours apart on Day 5 and then Day 6. Isolation ends on Day 6 once the 2nd LFD test is negative

Remote Learning

For children who are unable to come to school as a result of Covid 19, class teachers will provide remote learning through the Class Dojo App. This will consist of a Maths task and an English task plus one other subject. There is no expectation that your child completes this if they are unwell, only if they are symptom free, but have not yet completed their isolation period.

For children who are absent for a short while, as a result of another illness, we will not be providing remote learning. However, our school subscribes to many online learning platforms which you are encouraged to use, if appropriate. Please check you have log ons and passwords at home for Reading Plus, Lexia, Times Tables Rock Stars, Maths.co.uk etc

Healthy Playtime Snacks

We encourage healthy eating in school. Early Years and KS1 children are provided with a fruit snack under the Government scheme. KS2 children can bring their own fruit or cereal bars into school to eat at playtimes. Unfortunately, chocolate bars, crisps and sweets will need to remain in bags, to be eaten when children finish school.

Please take a look at our school website to find out about lessons and activities your children have been enjoying this week www.corpuschristgateshead.org.uk

Warmest Wishes
Mrs C Maxwell
