Dear Parents

### Year 6 Tests

Our Year 6 children completed 6 KS2 National Curriculum tests this week: Grammar, Spelling, Reading, Arithmetic and two Maths Reasoning papers. In spite of the disruptions to their KS2 Education, caused by the Covid pandemic, they embarked on the tests with confidence and good humour. Everyone worked very hard and gave 100% effort. Each day began with sausage and bacon sandwiches, followed by a short revision session, then straight into the tests. On Friday morning, we received a visit from a Local Authority Invigilator who checked all of our procedures and observed the administration of the tests. They were very impressed with the systems in place and of course, our children's attitude and behaviour. Well done Y6 – we are immensely proud of you! Results will be available from 5<sup>th</sup> July.

### Queen's Platinum Jubilee

As we will be on half term break for the Queen's Platinum Jubilee, we will be celebrating in school on Friday 27<sup>th</sup> May. We have asked the children to dress in red, white and/or blue. In class, we will be researching the life and reign of Queen Elizabeth II, creating some crafts, learning the national anthem and playing traditional games. A letter will be sent out today regarding lunch arrangements.

Our whole school recently enjoyed a workshop on African Music.

Please visit our website to find out more about what is happening in our school...
