

CORPUS CHRISTI CATHOLIC PRIMARY SCHOOL

STATUTORY TEST RESULTS 2022

Alongside continuous teacher assessments, children are required to complete national assessments at regular intervals throughout their primary education:

1. The **Reception Baseline Assessment (RBA)** in the first six weeks of Reception (though the RBA is not used to judge children individually, it's a snapshot of the current ability level of their class as a whole)
2. At the end of Reception, the **EYFS Profile** is a broad teacher assessment of your child's abilities in all areas of their learning and development
3. The **Phonics Screening Check** in Year 1
4. The **Year 4 Multiplication Tables Check** (this is a new test introduced this year)
5. The end-of-Key-Stage test in Year 2 (**KS1 SATs**)
6. The end-of-Key-Stage test in Year 6 (**KS2 SATs**)

We have compared our school results to the 'National Averages'. At this time, they are only available for KS2. We can also compare our results to the average results throughout our academy trust - Bishop Wilkinson Catholic Education Trust (BWCET)

Here are some headlines from our results...

- **Early Years 'Good Level of Development' is significantly higher than BWCET averages.**
- **Year One 'Phonic Check' is above BWCET average.**
- **'End of Key Stage One 'Expected outcomes' are all above BWCET averages but 'Greater Depth' outcomes are below.**
- **The number of children achieving a full score in the Year 4 'Multiplication Check' is significantly higher than BWCET average.**
- **End of Key Stage Two 'Expected outcomes' are all above BWCET and national averages.**
- **Greater Depth in Reading, Maths and SPAG in KS2 is significantly higher than national average. It is in the highest 20% of all schools.**
- **Greater Depth in Writing is below BWCET and national averages.**
